

# Bluegrass Music all over Europe

## All Concerts & Festivals during the EWOB month 2008

Below you will find all that is happening during the EWOB month, as far as it is known by the time this Guide is printed. We will keep adding more, if possible, and also it is thinkable that there will be some changes.

We will update this list at [www.ewob.eu](http://www.ewob.eu) as much as possible. More details can be found at the websites of the artists and promoters.

Remember, all these events are organised independently, and not by the EBMA (except, of course, the Voorthuizen EWOB festival).

**A = Austria - B = Belgium - CH = Switzerland - CZ = Czech Republic - D = Germany - DK = Denmark - F = France**

**IT = Italy - N = Norway - NL = The Netherlands - S = Sweden - SF = Finland - SK = Slovak Republic - SP = Spain - UK = United Kingdom**
